Math/QR Pathway 2: Course alone

Area of Study	SUMMER	FALL	SPRING

STEM

Advanced pathway requires prereq.

No math course → Math 199: Pre-calculus → Math 226: Calculus 1

No math course → Requires prereqs: See course description → Math 226: Calculus 1 → Math 227: Calculus 2

Business

No math course → DS 110 or Math 110 → DS 212 or Math 124 or ISED 160

Non-STEM

No math course → B4, Often a Statistics-based course → No additional math needed
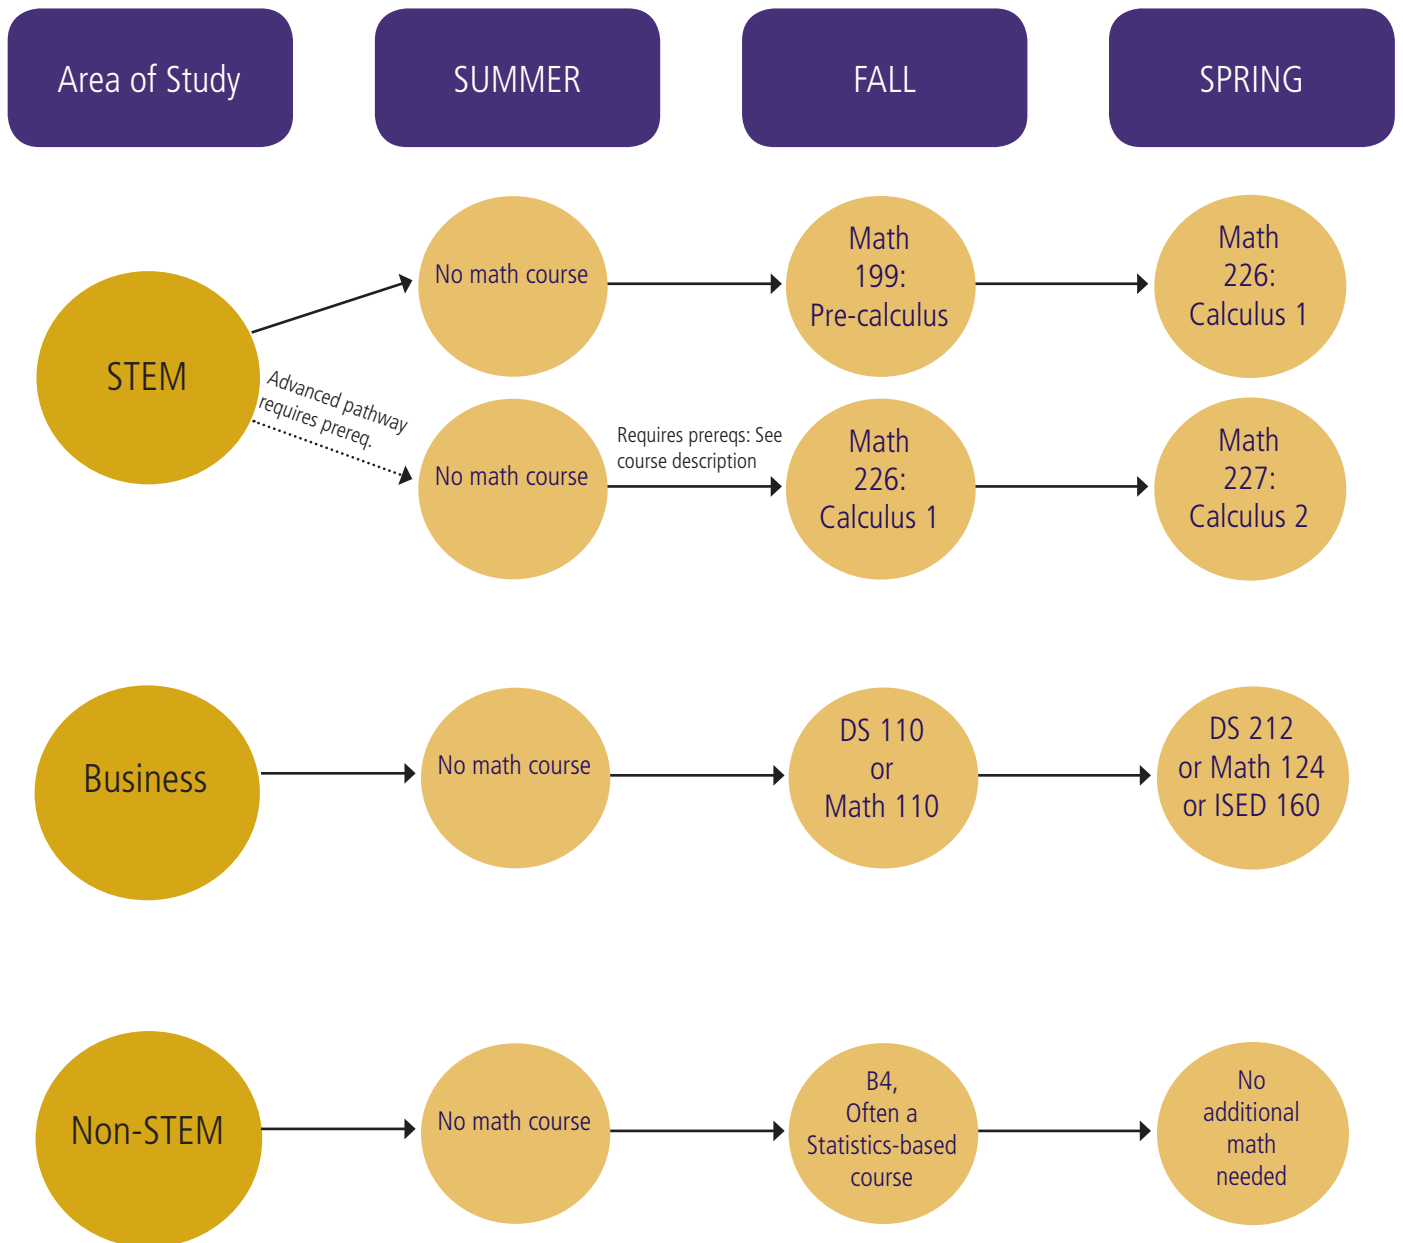

Students who have identified as "undeclared" should choose the pathway that best represents their general interests. If undecided, students should consider the STEM pathway.

If a student is beginning school in a Spring semester, contact the Developmental Studies Office for info: develops@sfsu.edu
