WHY TAKE EARLY START AT SF STATE INSTEAD OF AT OTHER CSUS?

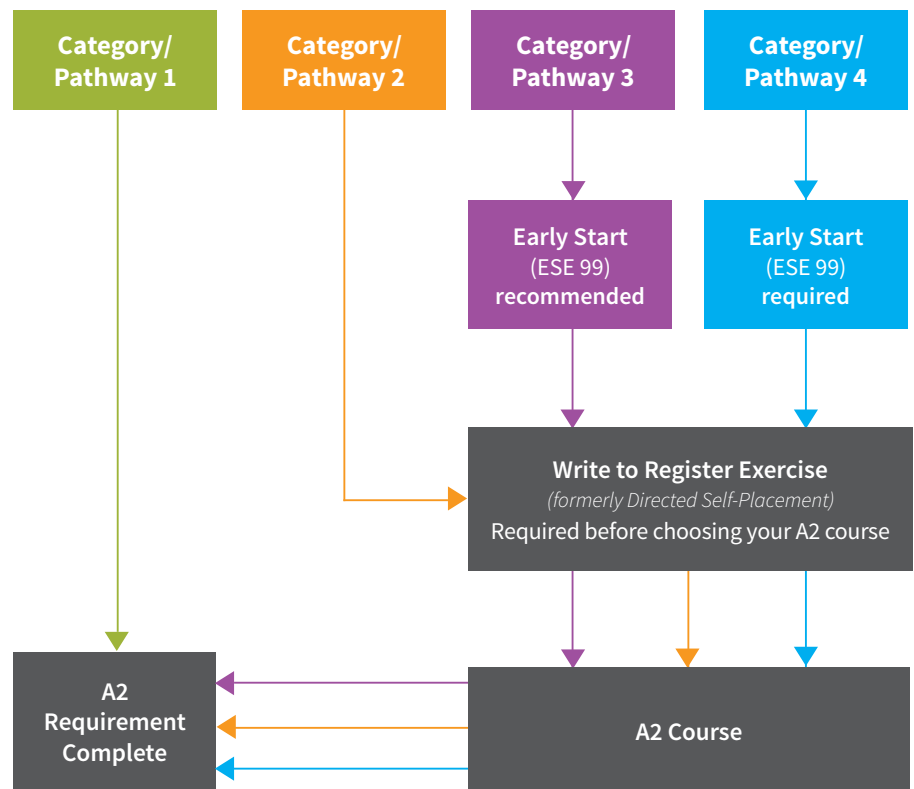

Written Communication

ESE 99 provides a specific introduction to writing courses at SF State. You will complete the Write to Register exercise as part of the ESE 99 course.

Quantitative Reasoning

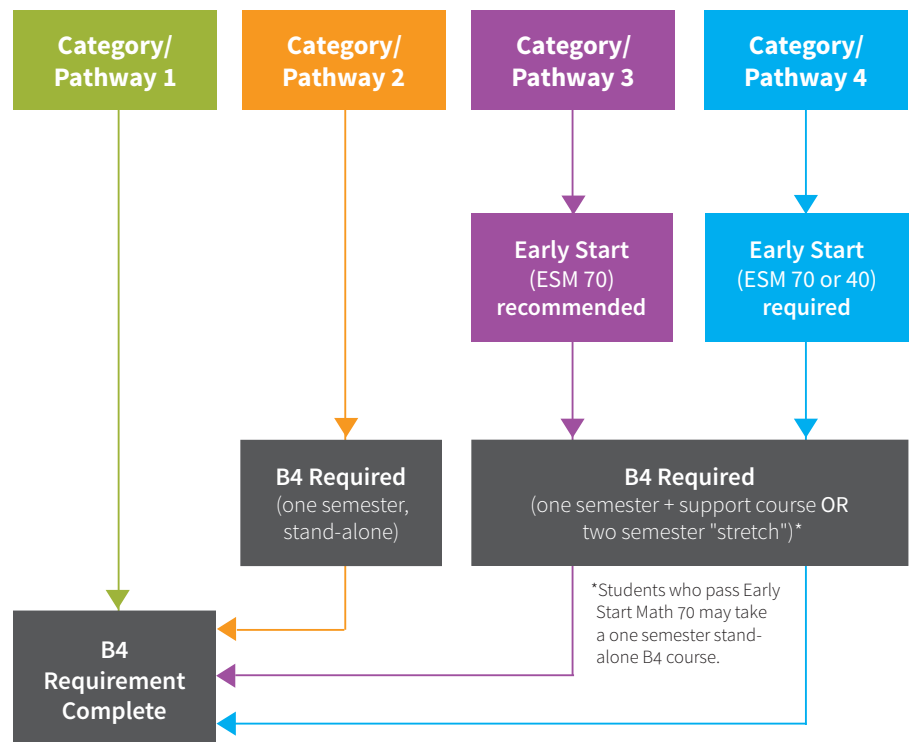

Because of the low student to instructor ratio and interactive classrooms, students pass at a rate of over 90%. Students who pass ESM 70 may take a one semester stand-alone B4 course.
